

***Sermon Title:* "HOW CAREFULLY HAS GOD MADE ME??"**

**Date:** July 23, 2023 - Psalm 139:13-18

**Central Idea:** God's power is magnified in the development of human life. Do you honor and respect human life?

**Introduction:**

One of the best proofs that God exists and that He does all things is the human body. This is one of the greatest passages in literature about the miracle of human conception and birth. David declared that God is present at conception and at birth because we are made in the image of God, and God has a special purpose for each person.

**I. God formed every complex detail. vv. 13-16**

**1. The womb v. 13**

**2. Celebration of human life v. 14**

**3. Our origin v. 15**

**4. God's sovereignty v. 16**

**II. God constantly thinks of us. vv. 17-18**

**Conclusion:**

God's faithful children are immortal until their work is done. We cannot ignore God when He has given us such a marvelous body and planned for us a wonderful life! The Christian life is an exciting pilgrimage, and the Lord has prepared us for this journey. Our responsibility is to yield ourselves to Him daily, ponder His thoughts found in His Word, and walk in the Spirit. God thinks of us—should we not think of Him?
